Welcome to Your Benefits Enrollment Platform MyEnroll.com

What You Can Do on MyEnroll.com

Welcome! Your employer has partnered with BAS (Benefit Allocation Systems) to provide you with access to our benefits enrollment and eligibility platform, www.MyEnroll.com.

Use MyEnroll.com to:

- Enroll in benefits as a new hire
- Make changes during Open Enrollment or after a Qualifying Life Event
- View your current benefit elections year-round
- Submit and manage FSA claims (if your employer offers this through BAS)

During active enrollment periods, a banner will appear at the top of your screen. You can also use the QuickLink tiles on your homepage to easily access common benefit actions.

Accessing Your Account

Visit

www.MyEnroll.com

First Time Access

Click **"First Time Users"** to request login credentials.

Forgot Username or Password?

Click the **"I don't know my email"** option to securely validate your identity.

Important Note

A valid email address is required to access the platform. If your email is not recognized, you'll be prompted to verify your personal details and confirm a new email before proceeding.
