

New Hire Onboarding

Faster eligibility. Fewer headaches. First impressions that stick.

BAS' New Hire Onboarding Services help HR teams eliminate enrollment delays and manual errors during the most critical moments of the employee journey. Our flexible tools, automated workflows, and real-time alerts make onboarding seamless—for HR teams and new hires alike.

Simple Setup

Fast onboarding setup, flexible triggers, and configuration tailored to your organization's needs.

Auto Alerts

Automated eligibility notices, reminders, and follow-ups keep everyone on track—without the email ping-pong.

Employee-Friendly

MyEnroll360's modern, mobile-friendly portal makes benefits enrollment easy for new hires from Day 1.

Flexible Logic

We support various onboarding workflows—by pay group, location, job type, or other eligibility rules.

Built-In Compliance

Audit trails, deadline tracking, and secure data workflows keep your onboarding process fully compliant.

Expert Support

BAS' Client Services team supports your HR team and new hires every step of the way.

Cloud-Powered Tools That Simplify New Hire Onboarding:

- Prebuilt onboarding steps with customizable titles (welcome, first day, FAQs, etc.)
- Embed videos, PDFs, forms, and rich content in each flow
- Multiple onboarding tracks per employee type or class
- Dashboard to monitor completion and missing items
- Automated alerts and reminders for HR and employees
- Secure document collection with full audit trail
- One login: integrated with benefits, billing, ACA, and more
- Control access with open/close timing rules
- Mobile-friendly design for anytime onboarding
- Self-service onboarding setup that's quick and intuitive
- Secure platform with SOC 1 & SOC 2, Type II Internal Controls
